

What is Parkside aiming to achieve through its Business curriculum?

- We want to build vocational skills, learners will develop their knowledge and understanding of how businesses work. We want you to be effective as an independent learner, developing many skills essential for level 3 study or the workplace.
- We want you to experience team working and communicating; being able to work from a prescribed brief; working to deadlines; being able to present information effectively; and being able to accurately complete administrative tasks and processes.
- We want you to be motivated to look at all the opportunities available to them within the business world.
