

What is Parkside aiming to achieve through its English curriculum?

- We want Parkside students to have an academic command of the English Language.
- We want them to read widely and to be able to articulate opinions about what they read.
- We hope that they will remember what they have read at school for years to come and that the study of literature will help them become compassionate, empathetic and interesting.

Parkside School Subject Curriculum Plan

Subject: English KS4

Year	Half Term 1	Half Term 2		Half Term 3		Half Term 4		Half Term 5	Half Term 6
