

What is Parkside aiming to achieve through its Performing Arts – Dance/Drama curriculum?

Through our examination subjects, within PE and Performing Arts, we are aiming for our students to show resilience and courage, with their wellbeing at the centre of everything we do.

- We offer a wide variety of options at KS4 and KS5 to give students the opportunity to take their love for Sport/Dance further.
- The qualifications offered are designed to support progression to further education.
- We want our PE/Dance students to become resilient, independent and successful learners, improve their understanding of subject knowledge and apply the PRIDE values and ethos ensuring positive relationships with students and staff.
